TASK FORCE /PARENT RESOURCE Committee together with REACH CYA

Please join us for a parent presentation.

Parents of all grades are encouraged to attend!

Parenting in the digital age...

Learn how to keep your kids safe
and guide them through the
ever-changing world of technology.

Featured Speaker:

*Katie Schumacher, Online Behavior Expert,
Author and Founder of the Don't Press Send Campaign.*

Fortunately, we do not need to be technological experts, or keep up with the latest social media trends to teach our children how to safely approach social media.

Parents will learn:

- How to provide guidelines & strategies to navigate social media.
- How to create a healthy balance with technology.
- Mindful techniques to use in your home.
- How to protect your children from engaging in illegal and potentially dangerous online activity.
- How to teach and enforce technological responsibility through kindness by strengthening empathetic skills.

Don't Press Send books
will be available for
purchase.
\$15 - Cash or checks made out to
Don't Press Send.
